

Pathway of Hope: A Journey for Families

Do your children have a better chance than you did? Are you concerned about the basics that you need for you and your family? You can take the first step today by joining **Pathway of Hope** to help you navigate the challenges to a better future. To get there, a case manager will work with you to design a plan around your individual goals, needs and strengths.

There's never been a better day to take the first step.

With The Salvation Army's **Pathway of Hope**, a better future is possible.

PATHWAY OF HOPE

Who can join?

You're eligible if:

- You have at least one child under the age of 18.
- You're ready to take action!

What will it involve?

Caring today for your family's needs, while building a strong future can be challenging. The Salvation Army team will walk alongside you on your family's journey.

Mapping it out

Meet with a case manager to develop your personalized action plan.

Staying on track

Chart your progress and see your success with your dedicated case manager on a regular basis.

Passing the six-month mile marker

See where you are in six months and decide what's next on your journey.

Looking ahead

Celebrate your successes. Adjust any further goals. Encourage others.
