Five Steps to Selecting a Child Care Provider

Choosing the right child care for your child is important. Increasing evidence has emerged to show that children's learning opportunities in the years before kindergarten have an important effect on their performance in school and ultimately their ability to contribute to society as adults.

The Office of Child Development and Early Learning offers these five steps to assist parents in selecting the right child care for their child.

STEP ONE: CONTACT YOUR CCIS:

Child Care Information Services (CCIS) agencies are the hub of child care information in your local area. CCIS agencies provide you and your family with information on quality child care and personalized child care referrals to child care providers based on your specific needs or preferences. (Contact your local CCIS at 717-274-6552 to review the steps to selecting a child care provider.)

STEP TWO: INTERVIEW CARE GIVERS:

Call first and ask:

Is there an opening for my child?

VISIT NEXT

Look for:

- Responsive, nurturing, warm interactions between caregiver and children.
- Children who are happily involved in daily activities and comfortable with their caregiver.
- A clean, safe, and healthy indoor and outdoor environment, especially napping, eating, and toileting areas.
- A variety of toys and learning materials, such as books, puzzles, blocks and climbing equipment, that your child will find interesting and that will contribute to your child's growth and development.
- Children getting individual attention.

STEP THREE: CHECK REFERENCES

Ask Other Parents

STEP FOUR: MAKE THE DECISION FOR QUALITY CARE

From what you heard and saw, ask yourself:

- Which child care should I choose so that my child will be happy and grow?

STEP FIVE: STAY INVOLVED

Ask yourself:

- How can I arrange my schedule so I could...
 - Talk to my caregiver every day?
 - Talk to my child every day about how the day went?

The libraries' event calendar is online at www.lclibs.org or visit your local library to ask about upcoming events.

Preschool Ages

1,000 Books Before Kindergarten – This program encourages families to experience the joy of reading together and helps parents and caregivers prepare children for kindergarten. Parents receive a reading log to track family reading time, and children receive incentives for every 100 books read to them. When parents and children reach 1,000 books, they achieve a certificate, status on the library Wall of Fame and a special gift! Program is offered at Palmyra and Richland libraries. Registration is required.

Smart Start Storytime for Babies - This program is designed especially for babies from birth to 24 months. Each 30-minute session promotes interaction between babies and their caregivers through stories, songs, finger play, and action rhymes, followed by time for parents to talk with other parents. Takes place at all six county libraries.

Toddler Time – Children from 24 to 36 months and their caregivers enjoy books, stories, rhymes and songs together. What is a Credit Score?

Credit Scoring is a system creditors use to help determine whether to give a person credit. Information about credit experience and personal information is used such as bill paying history, the number and types of accounts a person has, outstanding debts and age of accounts from a credit application and a credit report. Using a statistical program, creditors compare this information to the credit performance of consumers with similar profiles. The credit scoring system awards points for each factor that helps predict who is most likely to repay a debt. The total number of points helps predict how credit worthy a person is and how likely to repay a loan and make payment when due.

MOURNING HAS BROKEN

A Grief Support Group at St. Andrews Presbyterian Church

The Mourning Has Broken Grief Support Group at St. Andrews Presbyterian Church has been meeting monthly for about five years. We are strictly a support group, not a counseling group.

Under the leadership of St. Andrews Senior Pastor, Steven Gribble, we meet at 2:00 PM, on the first Thursday of every month in the Cassel Chapel at St. Andrews. At the present time, the membership of the group consists of people who are members of St. Andrews and quite a few people who are not members, but heard about us and wanted to meet with us.

The content of our meetings is rather informal, mostly talking about concerns about the grieving process: sharing stories about the loved one we lost; asking questions about how we are feeling; dealing with special days like holidays, anniversaries, family celebrations; and other topics that might arise in the midst of our conversations.

We welcome anyone to come to our group, whether members of St. Andrews or not, no matter how long ago or how recent the loss, or the nature of the loss – father, mother, spouse, child, good friend. There is no charge to become part of our group, as this is part of the outreach mission of the church.

St. Andrews Presbyterian Church is located at 600 South 12th Street, Lebanon. The building is totally handicapped accessible. For more information, please call Pastor Steve Gribble at the church, 272-9933, or check our website: www.standrewslebanon.org
